# Global Emerging Markets Class A

LU0085580271

Factsheet | 25 April, 2025 Marketing communication

### Objectives and investment policy

#### Objectives

The objective of this fund is to achieve above-market performance. The share class is accumulating.

### **Investment policy**

The fund invests mainly in emerging market equities.

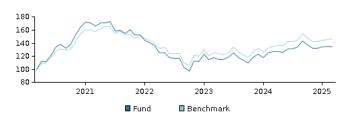

The fund is categorised as article 8 under SFDR and promotes environmental and/or social characteristics, as well as good governance practices, through screening, exclusions, investment analysis and decision-making as well as active ownership. The fund follows Danske Invest's responsible investment policy. In actively managing the fund's portfolio, the management team selects securities that appear to offer superior investment characteristics.

The fund generally expects that its holdings, and therefore its performance, may differ significantly from those of the benchmark.

The fund may use derivatives for hedging and efficient portfolio management. The fund may invest in Chinese A-shares subject to quota and operational constraints, which may increase legal and counterparty risk.

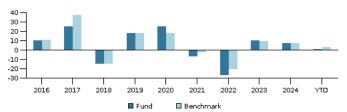

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 7 years.

### Return in the period: 31.03.2020 - 31.03.2025

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results. Future returns may be negative. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.
