

Objectives and investment policy

Objectives

The objective of this alternative investment fund is to generate long term returns. The share class is accumulating.

Investment policy

The fund seeks exposure to fixed income and credit strategies, primarily by investing in open-ended funds, such as UCITS and AIFs. The fund focus is on strategies within corporate bonds, sovereign bonds, private credit, high yield, emerging market debt, and hedge fund strategies. The fund may gain exposure to strategies with public and private investments within any credit quality, sector, and country.

The fund is categorised as article 6 under SFDR. The fund follows Danske Invest's responsible investment policy.

Recommendation: The fund may not be appropriate for investors who plan to redeem their money within 5 years.

Disclaimer & contact information

This fact sheet has been prepared as marketing communication by Danske Bank A/S ("Danske Bank"). Danske Bank is under supervision by the Danish Financial Supervisory Authority (Finanstilsynet).

This fact sheet has been prepared for informational purposes only and it is not to be relied upon as investment, legal, tax, or financial advice. You must consult with your advisor as to the legal, tax, financial or other matters relevant to the suitability and appropriateness of a potential investment.

This fact sheet is not an offer or solicitation of any offer to purchase or sell any financial instrument, this includes instruments distributed by third parties. Whilst reasonable care has been taken to ensure that the contents of this publication is fair, true, and not misleading, no guarantee is made as to its accuracy or completeness and no liability is accepted for any loss arising from reliance on it. Danske Bank accepts no responsibility for the accuracy and/or completeness of any third party information obtained from sources Danske Bank believes to be reliable but which have not been independently verified.

The returns presented in this fact sheet are historical. Historical returns are not indicative of future return and investors may incur losses on their investments. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.

This fact sheet nor any copy of it may be taken or transmitted into the United States of America, its territories or possessions (the 'United States') or distributed directly or indirectly in the United States or to any U.S. person (as defined in Regulation S under the U.S Securities Act of 1933, as amended), including any national or resident of the United States, or any corporation, partnership or other entity organised under the laws of the United States.

Any information or opinions contained in this fact sheet are not intended for distribution to or use by any person in any jurisdiction or country where such distribution or use would be unlawful.

Please refer to the prospectus and the key information document before making any final investment decision. The prospectus, the key information document of the fund and information regarding complaints handling (investor rights) can be obtained at <https://documents.danskeinvest.com> -> press relevant fund.

If the fact sheet relates to an ESG-fund or a fund with a sustainable investment objective, you can find more information about the sustainability aspects of the fund at <https://documents.danskeinvest.com> -> press relevant fund.

The decision to invest in an ESG-fund or a fund with a sustainable investment objective should take into account all the environmental and/or social characteristics of the fund, or sustainable investment objective as described in the Prospectus.

Danske Invest Management A/S may decide to terminate the arrangements made for the marketing of its funds.
