

**Objectives and investment policy**

**Objectives**

The objective of this fund is to achieve above-market performance. The share class is accumulating.

**Investment policy**

The fund invests mainly in index bonds primarily issued by OECD-countries or guaranteed by one or more OECD-countries. The bonds are listed or traded on an official stock exchange or another recognized market place.

The fund invests mainly in investment grade bonds. The currency risk is limited since the fund aims to hedge currency risks of non-euro denominated investments.

In actively managing the fund's portfolio, the management team selects securities that appear to offer superior investment characteristics.

The fund may use derivatives for hedging and efficient portfolio management.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 3 years.
