

Objectives and investment policy**Objectives**

The objective of this fund is to generate a return at least equal to the return on the benchmark. Dividends are normally distributed to investors each year.

Investment policy

The fund is an index tracking fund with an ethical investment policy. The fund invests in equities included in the benchmark of the fund according to ethical restrictions.

The fund is passively managed and the fund does not take any active positions in relation to the benchmark.

The fund may use derivatives for hedging and efficient portfolio management, as well as investment purposes.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Return in the period: 30.11.2014 - 30.11.2019

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results.
