

Objectives and investment policy

Objectives

The objective of this fund is to achieve above-market performance. The share class is accumulating.

Investment policy

The fund invests mainly in European equities. To a small extent, the fund may invest in equities from Eastern Europe and countries bordering Eastern Europe. The fund may invest in countries considered as emerging markets. Countries bordering Eastern Europe are defined as Armenia, Azerbaijan, Georgia, Kazakhstan and Turkey. In actively managing the fund's portfolio, the management team selects securities that appear to offer superior investment characteristics. The fund generally expects that its holdings, and therefore its performance, may not differ significantly from those of the benchmark. The fund may use derivatives for hedging and efficient portfolio management, as well as investment purposes. Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Return in the period: 21.11.2017 - 31.01.2020

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results.
