

Objectives and investment policy**Objectives**

The objective of this fund is to achieve investment growth in any type of market condition (absolute return). The share class is accumulating.

Investment policy

The fund invests mainly in long and short positions in European equities. To a small extent, the fund may invest in equities from developed countries outside Europe.

The fund adheres to the Responsible Investment Policy of Danske Bank and restricts certain sectors and companies from its investment universe.

In actively managing the fund's portfolio, the management team uses a long-short strategy, taking long exposure to equities it believes will increase in price and short exposure to equities it believes will decline in price or offset the volatility of its long positions.

The fund may use derivatives for hedging and efficient portfolio management, as well as for investment purposes.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 3 years.
