

Objectives and investment policy

Objectives

The objective of this fund is to achieve above-market performance. The share class is accumulating.

Investment policy

The fund invests mainly in small and mid-capitalisation equities from Europe (not including Russia).

To a small extent, the fund may invest in equities from countries bordering Europe.

In actively managing the fund's portfolio, the management team selects securities that appear to offer superior investment characteristics.

The fund may use derivatives for hedging and efficient portfolio management.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Return in the period: 15.03.2019 - 30.11.2019

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results.
