

**Objectives and investment policy**

**Objectives**

The objective of this fund is to achieve above-market performance. The share class is accumulating.

**Investment policy**

The fund invests mainly in European equities issued by companies whose products or services are well established and that are expected to generate high levels of dividends. To a small extent, the fund may invest in equities from Eastern Europe and countries bordering Europe. The fund may invest in countries considered as emerging markets.

Countries bordering Eastern Europe include, but are not limited to, Armenia, Azerbaijan, Georgia, Kazakhstan and Turkey.

In actively managing the fund's portfolio, the management team selects securities that appear to offer superior investment characteristics. The fund generally expects that its holdings, and therefore its performance, may differ significantly from those of the benchmark.

The fund may use derivatives for hedging and efficient portfolio management. Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

**Return in the period: 07.03.2019 - 31.01.2020**

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results.
