

Objectives and investment policy

Objectives

The objective of this fund is to achieve above-market performance. The share class is accumulating.

Investment policy

The fund invests mainly in European equities. To a small extent, the fund may invest in equities from Eastern Europe and countries bordering Eastern Europe. The fund may invest in countries considered as emerging markets. Countries bordering Eastern Europe are defined as Armenia, Azerbaijan, Georgia, Kazakhstan and Turkey. In actively managing the fund's portfolio, the management team selects securities that appear to offer superior investment characteristics. The fund generally expects that its holdings, and therefore its performance, may differ significantly from those of the benchmark. The fund may use derivatives for hedging and efficient portfolio management. Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.
