

Objectives and investment policy

Objectives

The objective of this fund is to seek capital growth in the long term through active investment management. The fund is accumulating.

Investment policy

The fund invests in a diversified portfolio of other funds mainly invested in equities in respect to the following allocation:

At least 75% must be invested in funds investing in international equities. Up to 25% may be invested directly in equity related transferable securities. Between 0% and 20% may be invested in funds specialized in IPOs, OTCs or private equity.

The allocation can change over time.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 8 years.

Return in the period: 31.03.2012 - 24.04.2017

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results.

Annual return as of 24.04.2017, %
